Statement

Principles of Cadre Review

1. The Cadre Review may be visualised as an exercise for complete manpower planru'ng-taking into account the annual intake at the entry level, maintenance needs growth, etc. rather than being reviewed only as a need for upgradation of posts to provide promotional opportunities to the members of the staff.

2. The Cadre Review may be conducted on functional cum-structural considerations with due regard to the duties and responsibilities and the need to promote efficiency in the Organisation /Department.

3. Wherever STU norms|yardsticks have already been laid down for provision of staff, these should be taken into account while conducting cadre review for various catesT-ies/grades.

4. Ths Cadre review exercise may b; conducted periodically for all groups 'B\ C^T and 'D' posts without linking it to the 'evel df stagnation in the cadre.
